

**Remarks:****Status of Claims**

Claims 1-23 were previously pending. Claims 1 and 11 are amended herein, and claim 5 is canceled. Thus, claims 1-4 and 6-23 are currently pending with claims 1 and 11 being independent.

**Office Action**

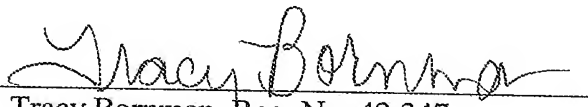

In the March 22, 2006, Office Action, the Examiner rejected claims 1-4 and 6-23 as being obvious or anticipated by various combinations of McAnallen (U.S. Patent No. 5,941,040) and Erwin (U.S. Patent No. 5,660,016). The Examiner also indicated that claim 5 would be allowable if rewritten in independent form (Office Action, page 8).

Independent claim 1 has been amended herein to include the allowable features of claim 5. Thus, independent claim 1 and all claims that depend therefrom are now in allowable condition. Independent claim 11 has also been amended to include the allowable features of claim 5. Consequently, Applicant respectfully submits that all claims are now in allowable condition.

In the event of further questions, the Examiner is urged to call the undersigned. Any additional fee which might be due in connection with this application should be applied against our Deposit Account No. 19- 0522.

Respectfully submitted,

HOVEY WILLIAMS LLP
